

Anti-Ragging

In order to promote a healthy learning environment, the college takes acts of ragging in any form very seriously. The college has set up an Anti-Ragging committee according to the regulations of the University Grants Commission to curb the menace of ragging on the campus.

Students, if they observe any instances of ragging or are victims of the same, can report the incident by contacting the Principal or Committee members at the earliest. The authorities shall take strict action against any student involved in ragging.
