## **Teacher's Day Celebration Report**

**5<sup>th</sup> September 2022**

In India, 5<sup>th</sup> September is celebrated as Teachers' Day as a mark of tribute to the contribution made by teachers to the society. 5<sup>th</sup> September is the birthday of a great teacher Dr. Sarvapalli Radhakrishnan, President of India. In 1962, when Dr. Radhakrishnan became the President of India, he was approached with a request of celebrating his birthday. He said, "Instead of celebrating my birthday, it would be my proud privilege if this day is observed as Teachers' Day". This showed his love for the teaching profession. From then onwards, this day is celebrated as Teachers' Day in India. Teachers mould the lives of the students by guiding them, by enriching their personalities, by imparting ethical and moral values and have more influence on them. Teacher's Day is celebrated with great enthusiasm in many parts of the world. This day is dedicated to the teachers with the sense of respect, appreciation, encouragement and support for their devotion to their students.

The teacher's day was celebrated by the students of Computer Application department at SVPP college campus on 5th September to express their gratitude for the immense contribution put forth by their teachers towards their development. Teachers are the cornerstone of students' future.

Students decorated the college campus with the decorative items on the eve of Teacher's day and the faculties were welcomed warmly. Each of the faculties was given a gift as a token of gratitude to show the acknowledgement and recognition of the hard work put by the teachers towards their development, wishing them a Happy Teachers Day. The event was concluded by the reviews of Principal Sir, Head of the Department and all the faculties. All in all, it was a celebration made for everyone!.
